## Nurserymen's Exchange Terms of Sale

1. Costly back ordering means time lost in starting crops. Rather than keep you waiting for items that are delayed or are scarce, we will substitute with varieties equally good or better unless you say "No Substitute."
2. No complaints entertained after five days from receipt of merchandise.
3. All orders are accepted subject to cancellation in case of crop failure and other conditions beyond our control.
4. We supply 250 at the 1000 rate of each variety, except where specified to contrary.
5. This price list cancels our previous lists and quotations. No orders, please, for less than \$5.00.
6. All prices subject to change without notice.
7. Terms—Customers not having an established account with us, please send remittance with order. 50% in advance on all C.O.D. shipments.
8. All stock travels at risk of purchaser. This stock is carefully packed and we hold "good order" receipt from the Transportation Co. for same. There our responsibility ceases. If the stock reaches you in bad condition accept it "in bad order," notify agent and bring claim against the Delivering Co. for damage caused by their negligence, as no allowance for this cause can or will be made by us.
9. The Nurserymen's Exchange gives no warranty, express or implied, as to productiveness, of bulbs or plants they send out; they will be in no way responsible for the crop. Nursery Exchange gives no warranty express of implied as to the use of any of its products except on garden hose.
10. Packing charges will be made on Plant Material.
11. All merchandise F.O.B. S. F., Cal., unless otherwise notified.

**Terrestrial Orchid** — Hardy Spring flower. Produces about 4 dainty orchid flowers on about 12 nice stems. 1 1/2-2 grade.

\$15.00 per 100 \$125.00 per 1000

Double Camellia Begonia

## Tuberous Rooted Begonias

January-April Delivery

Prices are same on all types except Multiflora, which is 50% higher and available in 1-1 1/4" and 1 1/4"-up sizes only.

### COLORS in Camellia, Carnation, Hanging

Red—Pink—Apricot—Scarlet—Flame  
Orange—Yellow—Rose—Salmon  
White—American Beauty

	Per 100	Per 1000
3/4"-1" Diameter	\$ 5.00	\$ 45.00
1" -1 1/4" Diameter	6.50	57.50
1 1/4"-1 1/2" Diameter	8.50	77.50
1 1/2"-2" Diameter	14.00	125.00
2" -2 1/2" Diameter	18.00	165.00
2 1/2"-4" Diameter	22.00	

**Camellia Double:** The Flowers are of the Camellia type and very large. This is best for greenhouse culture.

**Carnation or Double Frilled:** (Fimbriata Plena) This type produces a large double, resembling a carnation in form. The petals are frilled and have serrated edges.

**Hanging Basket or Lloydii** (Pendula fl. pl.): This is the Pendula or Lloydii type, containing double flowers only. Often hundreds of blossoms to a bulb.

**Picotee Double:** A Camellia flower with two colors on each flower. Available in mix bulbs only.

### MULTIFLORA

Excellent for pot plants. Blooms more abundantly than any of the Tuberous Begonias although flowers are smaller.

**Helene Harms**, Bright canary yellow

**Flamboyant**, Deep red

**Mme. R. Galle**, Strong copper colored

**Ami Jean Bart**, Deep copper yellow

**Gents Juweeltje**, Salmon

## Lycoris Aurea

August-March Delivery

\$7.50 per 100	\$65.00 per 1000
----------------	------------------

Color is Yellow, often called "Yellow Spider Lily"

This Lycoris needs shade and shelter from strong wind and its commercial cultivation is best done in lath-house. It provides the finest cut flowers of all. Lycoris, because of its flowers, last a fortnight in water and stand a long packing. From autumn to spring it has beautiful leaves.

## Lycoris Radiata

August-March Delivery

\$4.50 per 100	\$35.00 per 1000
----------------	------------------

Color is Red

This variety is considered one of the popular Lycoris varieties.

## Lycoris Squamigera

August-March Delivery

\$6.00 per 100	\$50.00 per 1000
----------------	------------------

Rose Colored Banded Yellow

These bulbs are perfectly hardy. Their leaves appear in March, mature and disappear. Flowers come in the nature of a surprise in August. This variety is the only one of the Lycoris that is fragrant and therefore frequently referred to as "Fragrant Amaryllis." This is the most popular variety of the species.

Lycoris Aurea

## Muscari

Grape Hyacinth

Early spring flower, Ideal for borders.

September-December Delivery

FREE four color pictures mailed on request on most varieties shown. These pictures can be tied easily to the plant. Watch your sales improve on Rhododendrons with these beautiful pictures.

Unsolicited photograph taken by Thompson's Floraland of Atlanta, Georgia and sent to our Distributor, Alec Henderson, Inc.

# "Thank You, Mr. Thompson, for this dramatic proof"

Naturally, we know the wonderful growth and results of Bloom-Rite Patented Azaleas. But to open a letter from Alec Henderson and have the above snapshot drop out unexpectedly was indeed a pleasant and welcome surprise. Thank you very much, Mr. Thompson.

Evidently we have been very conservative in our advertising claims that these Azaleas grow about 40% faster. You have achieved healthy 7 inch plants in 7 months! Others have told us of similar results but you are the first to send us a picture. Thanks again!

## PLANT PATENT NOTICE

These plants are patented varieties under the laws of the United States and are distributed under license from the patent owner. Any asexual reproduction thereof by means of scions, buds, cuttings, grafts or otherwise, without license from the patent owners, constitutes an infringement of Plant Patent Laws. Any unauthorized reproduction, sale or distribution of the patented varieties, under names and/or trademarks of the patent owner or under any other name or names, will render the reproducer seller and/or distributor thereof liable for prosecution for infringement under the United States Patent Laws.

## \$250 REWARD

for information and facts leading to successful prosecution of anyone who may be infringing upon these patents.

**RED WING** U. S. Patent No. 1159. Rich red, orange undertones. Extra long-lasting; ruffled.

**CARDINAL** U. S. Patent No. 1175. Scarlet red; more compact than most azaleas.

**ECSTASY** U. S. Patent No. 1157. White flowers up to 4¾" across, often orchid dashed.

**MELODY** U. S. Patent No. 1158. Fuchsia-pink, similar to Kurumes; size of Indicas.

# Oregon Strawberries are Tops

## OREGON STRAWBERRIES

Advantages to growers

- 1) **EASY TERMS**—You don't have to pay for your strawberries until 30 days after getting them.
- 2) **EARLY DELIVERY**—We can make delivery at any time during the Fall & Winter.
- 3) **QUALITY PLANTS**—Our Oregon grown strawberry stock comes from a high altitude and the plants are tops in quality.
- 4) **MORE DISEASE RESISTANT**—Our Oregon grower of strawberries has been shipping to us approximately 15 years without rejections by the Department of Agriculture in California or in any other state.
- 5) **NO SHORTAGES**—No need to worry about getting full delivery. Our Oregon source delivers in full.
- 6) **DEPARTMENT OF AGRICULTURE INSPECTION**—Plants are all inspected and approved by the Department of Agriculture at point of origin and guaranteed to pass inspection in your county upon arrival, before delivery is made to you.
- 7) **MORE DISEASE RESISTANCE**—Reports from growers using this strain indicate plants are free from Root Nematode and Mosaic Red Streaks. Plants inspected before leaving our farm. Good clean plants assured.

## ANALEAF SOIL TESTERS

**\$4.95 each**

Your Analeaf Kit provides the most modern method of determining the nutrient needs of a plant. By taking samples from the plant itself Analeaf tests show what nutrients the plant is able to obtain from the soil. Plants store surplus nutrients in the tissue, as humans and animals store energy in the form of fat. When the soil has an abundance of food in the available form Analeaf plant tissue tests will show an adequate supply. Likewise if there is a deficiency of available nutrients in the soil, plant tissue tests will indicate a deficiency.

Tests on soils indicate the ability of the soil to supply nutrients to the plants. Tests on the plant tissues indicate the relative nutrient level in relation to other possible limiting factors. Such tests supply valuable information regarding plant food supplies from which it is possible to determine fertilizer needs for local areas.

## BEDDING PLANT FOLDING BOXES

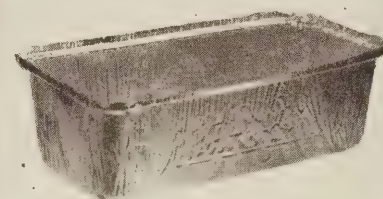

Made of waxed heavy gauge board.

These boxes save time, money and space in the handling of bedding plants. Stored flat in their own shipping cartons, they take up practically no room—are a life saver on rush days.

## Redwood Totem Poles

*Prices same as on Tree Fern Poles.*

## Plant Stand

*Plant Stand with revolving arms*

**\$6.75 each**

Here is a new plant stand with revolving arms. This new design, in black wrought iron, holds 11 plants, 10 on arms that can be moved to any position. Arms are designed to hold standard flower pots as shown at the left; or, we can supply rust-proof aluminum pans that fit the arms perfectly at \$1.25 per set. Flower pots of almost any size can then be set in the pans. Stand is 40 inches high and makes a beautiful display. Use indoors or out. Assembled or taken apart for cleaning in two minutes without tools. A sturdy no-tip, no-tit stand that harmonizes with modern or traditional decor. Newspaper mats available free.

## BLOOM-RITE

### AUTOMATIC FERTILIZER DISPENSER

#### FOR GARDEN USE.

*The safe way to apply any concentrated water-soluble fertilizer*

Apply chemical fertilizers, such as Bloom-Rite, ammonium sulphate, nitrate of soda, nitrate of potash, muriate of potash, ammo-phos, nitro-phoska, urea, etc., without fear of burning—without any hard work on your part. It applies the solution and washes it down in one fast operation! Mixes the concentrated solution with water in a mild 1-to-16 ration, and delivers it to the nozzle of an ordinary garden hose.

BLOOM-RITE AUTOMATIC FERTILIZER DISPENSER is a scientific, precision-built device, yet so simple and strong that it will last a lifetime. Check valve to prevent back-flow, high-grade rubber suction tube and stainless steel strainer to prevent clogging. Guaranteed to give full satisfaction.

## HOZON SPRAYFAST

*For Nursery or Greenhouse*

A quick, easy and accurate way to apply concentrate liquid chemical fertilizers without risk of burning. The Sprayfast model has a water jet almost two and a half times larger than our regular HOZON. It draws in the concentrated solution through a LONG suction tube, directly into the nozzle, not the tap end of the hose, and dilutes the solution about 1 to 32, applies and washes it down in one easy operation. It is a scientific, precision built device of solid brass, a superior grade of suction tube about fifty-five feet long, a stainless steel strainer, and a rubber nozzle end. Workmanship and material guaranteed. For commercial use only.

**\$6 each**

## FREE ADVERTISING MATS

Professionally designed

Nurserymen's Exchange offers a free newspaper mat service to all customers.

We have one of the largest libraries of newspaper mats in the United States on nursery subjects. You are entitled to one free mat with every \$50.00 purchase. Write for our list so you can choose the ones to your liking.

Advertising is the key to sales. Our mats are the key to good advertising.

# Fertilize WHILE YOU WATER

WITH...

100% Water Soluble

AN ALL PURPOSE

CONCENTRATED PLANT FOOD

FOR USE OUTDOORS AND FOR INDOOR GARDENING

BLOOM-RITE Plant Food works wonders with anything that grows. It is a scientifically balanced fertilizer containing 16% Nitrogen, 30% Phosphoric Acid from Ammonium Phosphate, and 16% water-soluble Potash.

## **BLOOM-RITE Automatic Fertilizer Dispenser** *Attaches Right to Your Garden Hose, Sprinkler or Soaker*

Here's all you do: Prepare a concentrated solution consisting of 1 cup of BLOOM-RITE Plant Food to each gallon of water. Place this solution in a pail or container. Then you simply connect the Fertilizer Dispenser between the water faucet and hose—drop the suction tube in the container—and you're ready to go. The Dispenser sucks up the solution and mixes it with the water as you sprinkle.

Prices and details on page 34.

## **CONCENTRATED SOLUTION to Fertilize While You Water**

Concentrated solutions can be made to use with any garden hose fertilizer distributors. BLOOM-RITE Fertilizer will work with any of these fertilizer distributors or attachments. However, be sure to use one pound of BLOOM-RITE per 1000 square feet (25x40), in solution, spread well.

## *Dealer Sales Helps*

SENT ON REQUEST

- FREE inserts for mailing with statements.
- FREE point of purchase display posters.
- FREE advertising mats in almost any size.
- Nurserymen's Exchange will do advertising on TV, radio, newspapers and Sunset Magazine.
